

## APPLY FOR A FORT FINANCIAL SCHOLARSHIP

If you or your child will be attending college this year, consider applying for our annual scholarship competition.

Each year, Fort Financial awards up to **\$5,000 in scholarships** to high school seniors or students who are currently enrolled in college and who plan to continue their education through an undergraduate degree program or certification from an accredited college, university or technology school.

Fort Financial members may apply for a student scholarship by completing and submitting an application, along with any supporting materials that may be beneficial throughout the scholarship selection process.

Allocations are based on academic achievement, community
