

## LAYING A FOUNDATION FOR GROWTH

### New corporate headquarters

In 2021, we broke ground on a new corporate office on the northwest side of Fort Wayne. Construction has continued since then, and we are close to moving in.

The move provides the space the credit union needs to grow and continue to add the technology, services and staffing required to provide the highest standard of member experience.

A full-service branch will be attached to the corporate headquarters.

The new building will open at the corner of Lima and Wallen Roads this fall. Watch for details to be announced later this summer.

### Northeast Fort Wayne branch

We are also adding a new branch on the northeast side of Fort Wayne.

The full-service branch at the corner of Maplecrest and St. Joe Center Roads will feature two drive-up lanes and an exterior ATM.

Construction is expected to be completed near the end of this year.
